PSKC / Rowporty – Risk Assessment – Covid-19 “Beyond level 0”

Item	Hazard	Persons at risk	Control measures	Further actions
1	Member infected with virus that can cause serious illness and death	Other members and public	<ul style="list-style-type: none">• Members who have symptoms or have been in contact with someone with symptoms do not sign up to row.• Members to be honest with the club.• Members who wish to row read guidelines and comply with these control measures.• Cathy Holman and Mandy Toogood will keep up to date with Government Guidance, plus SCRA and Sports Scotland advice• £1 voluntary donations will continue to be paid in the jar and new system to be considered at a later date• Research is now clear that being outside greatly reduces risk of transmission	Guidance to make this clear to those signing up
2	Covid-19 outbreak	Members, family of members, public	<ul style="list-style-type: none">• For Test and Protect purposes, members to ensure that their contact details are up-to-date on the Rowporty Spond group and the PSKC Go Membership platform.• Members to sign up using Spond.• Any late crew changes to be noted on Spond.	Regular note to go on Spond for all members to check their details are correct
3	Entering and using the yard	Members	<ul style="list-style-type: none">• Members to bring their own hand sanitiser and use it before and after touching anything in the yard.• No members of the public in the yard.	Guidelines to include hand sanitising, before and after row

4	Entering and using the shed	Members	<ul style="list-style-type: none"> • One person at a time in the shed. 	
5	Getting the boat ready and putting it away	Members	<ul style="list-style-type: none"> • Maintain physical distance as much as possible. • Work together swiftly to lift boat on/off trolleys then return to normal distancing 	Store oars 1&3 (port side) and 2&4 (starboard) together on opposite sides of skiff with numbers facing UP, for easy ID and minimum handling
6	Taking the boat to and from the water	Members and public	<ul style="list-style-type: none"> • Crew to assess how busy Prom and beach are • Take special care at pinch points . • 	
8	Rowing	Members	<ul style="list-style-type: none"> • Being outdoors greatly reduces transmission • If close contact is required, such as in a rescue situation crew will be mindful of covid risk, but safety on the boat is paramount • Crews swap positions swiftly and carefully after discussion
